

Greg A. Schaublin, M.D.

**Neurologist
Real Time Neuromonitoring Associates**

**Diplomate, American Board of Psychiatry and Neurology
Certificate, Clinical Neurophysiology, American Board of Psychiatry and Neurology
Diplomate, American Board of Electrodiagnostic Medicine**

**Real Time Neuromonitoring Associates
336 22nd Avenue North
Nashville, TN 37203**

**Office Phone: (615) 346-8182
Email: greg.schaublin@rtnassociates.com**

Home Address: 5354 Coquina Shores Ln
Port Orange, FL 32128-3009

Personal: Born: June 30, 1975 in Bluffton, OH
Married To: Tausha Mae Lurker Schaublin, DOB June 12th, 1981
Children: Darion Reid Schaublin, DOB July 8th, 1994
Roman Markus Schaublin, DOB January 2nd, 2003
Clover Renee Schaublin, DOB July 26th, 2000
Damien Scott Lurker, DOB August 5th, 2003
Chayse Kagen Schaublin, DOB May 21st, 2007

Professional Interests: Neurophysiological intraoperative monitoring.
Clinical neurophysiology and electrodiagnostic medicine.
Neuromuscular diseases, including myasthenia gravis and amyotrophic lateral sclerosis.
Inflammatory and autoimmune conditions of the peripheral and central nervous systems, including chronic inflammatory demyelinating polyneuropathy (CIDP) and multiple sclerosis (MS).

Board Certifications: American Board of Psychiatry and Neurology

Initial Certification	May 14, 2006
Recertified	May 2, 2016
Continuous Certification	2026

Clinical Neurophysiology, ABPN

Initial Certification	May 14, 2006
Recertified	May 2, 2016
Continuous Certification	2026

American Board of Electrodiagnostic Medicine

Initial Certification	May 3, 2007
Recertification	November 29, 2017

***Hospital Affiliations
& Appointments:***

Numerous Telemedicine Hospital Affiliations <i>(full list available upon request)</i>	August, 2018 to current
Atrium Medical Center, Staff Neurologist <i>(formerly Middletown Regional Hospital)</i> Franklin, OH	July, 2006 to August, 2018
McCullough-Hyde Memorial Hospital, Staff Neurologist Oxford, OH	2010 to 2017
Miami Valley Hospital Director, Neurophysiological Intraoperative Monitoring (NIOM) Dayton, OH	2009 to 2012

***Training &
Education:***

Clinical Neurophysiology Fellowship (EMG)	June 2006
University of Virginia Charlottesville, Virginia	
Neurology Residency	June 2005
University of Virginia Charlottesville, Virginia	
Internship	June 2002
Medical College of Ohio Toledo, Ohio	
Doctor of Medicine	June 2001
Medical College of Ohio Toledo, Ohio	
Bachelor of Arts	May 1997
University of Toledo Toledo, Ohio <i>Magna Cum Laude</i> Major: Psychology, Minor: Biochemistry	

***Honors &
Awards:***

Medical School:	
Medical College of Ohio Satellites Scholarship --rewarded for academic achievement in the face of adversity	2000

Undergraduate School:

Robert and Ann Burns Scholarship 1997
--rewarded for interest in neurological and psychiatric disease

Ohio Academic Scholarship 1993 to 1997
--rewarded for general academic achievement

Tillotson Award 1993 to 1997
--rewarded for general academic achievement

Appointments & Committees:

Development/Industry Relations Committee April, 2024 to current
American Clinical Neurophysiology Society (ACNS)

Professional Practice Committee (PPC) July, 2022-June, 2025
American Association of Neuromuscular and
Neurodiagnostic Medicine (AANEM)

Patient Advocacy Committee April, 2021 to current
American Society of Neurophysiological Monitoring (ASNM)

Atrium Medical Center Quality Committee August, 2017 to July, 2018
Franklin, OH

Director, Intraoperative Monitoring (NIOM) 2009-2012
Miami Valley Hospital

Grand Rounds Organizer July 2004-June 2005
University of Virginia Department of Neurology

on the Classification and Treatment of Vasculitic Neuropathy, *Lancet
Neurology*, 2005. Vol 4 (12), 853-865.

Department of Neurology, Medical College of Ohio:

Progress in characterization of the B50/GAP-43 protein in growing nerve endings 1998
 --testing calcium-dependent phosphorylation with gel electrophoresis

Department of Anatomy and Neurobiology, Medical College of Ohio:

Progress towards understanding effects of maternal rat cocaine use on developing somatosensory systems in offspring 1998
 --immunostaining of somatosensory cortex in exposed rat pups

Department of Psychology, University of Toledo:

Developing an animal model of tinnitus in laboratory rats 1997
 --training rats to respond to specific tones

Determining the presence of a “work ethic” in laboratory rats 1996
 --determining if rats would do more work for more reward

Teaching & Education:

ACNS Principles of Clinical Neurophysiology Courses September 28, 2025
 Spinal Nerve Root Monitoring

ASNM Fall Symposium September 20, 2025
 EMG Pitfalls: What does this modality NOT tell us?

ASNM 2025 Annual Meeting Presentation May 17, 2025
 Cranial Nerve Monitoring During CEA

ACNS Principles of Clinical Neurophysiology Courses September 29, 2024
 Interesting IONM Cases

SSET 2022 Annual Meeting Presentation September 17, 2022
 How to NOT Miss a C5 Palsy

RTNA 360 Presentation June 28, 2022
 Cervical Spine Procedures & IONM

AANEM 2021 Annual Meeting Presentation October 16, 2021
 Current Topics in IONM

AANEM 2020 Annual Meeting Presentation October 9, 2020
 Motor Evoked Potentials for Lumbar Nerve Root Monitoring

Webinar Q&A Session September 24, 2020
 Anesthesia Basics and Communication

RTNA Clinical Education Presentation September 3, 2020
 Motor Evoked Potentials & Nerve Root Monitoring

Local News Interview, WDTN Channel 2 Dayton May 8, 2017
 Regarding FDA Approval of edaravone

	Case Presentations in Epilepsy	June 25 th , 2008
